Lunchtime

At lunchtimes the staff will be in the classroom or the dining room with the children to give any necessary support, as well as several midday assistants. The children can bring in a packed lunch or will be able to choose from a hot dinner or deli selection. The menu rotates weekly and the children will have visuals to communicate what food it is each day.

Snack time

We will have a small healthy snack and drink in the morning and before afternoon play. Fruit is provided by the healthy schools initiative. Each child has a water bottle in class that is available throughout the day. You may wish to send in a snack for your child - However we are a NUT FREE SCHOOL!

Communication

An online communication system, 'Class Dojo' is used as a form of communication. We endeavour to write a little everyday on 'Class Dojo' but please accept our apologies now as we may not always succeed! You can always contact us via Class Dojo. You may also contact school by phone if it is more convenient, although you may have to leave a message as the class staff may not be able to come to the phone at that time.

PE

We will be having P.E. each week and would appreciate it if you could send a P.E kit into school that will be kept here and sent home at the end of each half term for washing. Please ensure all clothing is marked with your child's name.

I can use this calendar to help me count down.
